Student Population: a count of students for whom a school authority has received funding, plus students for whom a school authority did not receive funding, but who had a registration in effect September 30th of the school year. Examples of students not funded would be federally funded First Nation's students, students over 20 years of age, international students, and students in a high school program at a post secondary institution. The counts are reported according to the authority of the student registration.

Funded Students: a count of students for whom a school authority has received funding, plus a count of students with special approval for funding. The counts are reported according to the authority that received funding.

Home Education Funded students: a count of students for whom a school authority has received funding for the supervision and provision of learning resources to home education students.

Student funding information is as of Monday, May 31, 2004 and student registration information is as of Friday, July 30, 2004 .

Student Population: a count of students for whom a school authority has received funding, plus students for whom a school authority did not receive funding, but who had a registration in effect September 30th of the school year. Examples of students not funded would be federally funded First Nation's students, students over 20 years of age, international students, and students in a high school program at a post secondary institution. The counts are reported according to the authority of the student registration.

Student funding information is as of Monday, May 31, 2004 and student registration information is as of Friday, July 30, 2004 .

Student Population: a count of students for whom a school authority has received funding, plus students for whom a school authority did not receive funding, but who had a registration in effect September 30th of the school year. Examples of students not funded would be federally funded First Nation's students, students over 20 years of age, international students, and students in a high school program at a post secondary institution. The counts are reported according to the authority of the student registration.

Student funding information is as of Monday, May 31, 2004 and student registration information is as of Friday, July 30, 2004 .

Student Population: a count of students for whom a school authority has received funding, plus students for whom a school authority did not receive funding, but who had a registration in effect September 30th of the school year. Examples of students not funded would be federally funded First Nation's students, students over 20 years of age, international students, and students in a high school program at a post secondary institution. The counts are reported according to the authority of the student registration.

Student funding information is as of Monday, May 31, 2004 and student registration information is as of Friday, July 30, 2004 .

Student Population: a count of students for whom a school authority has received funding, plus students for whom a school authority did not receive funding, but who had a registration in effect September 30th of the school year. Examples of students not funded would be federally funded First Nation's students, students over 20 years of age, international students, and students in a high school program at a post secondary institution. The counts are reported according to the authority of the student registration.

Student funding information is as of Monday, May 31, 2004 and student registration information is as of Friday, July 30, 2004 .

Student Population: a count of students for whom a school authority has received funding, plus students for whom a school authority did not receive funding, but who had a registration in effect September 30th of the school year. Examples of students not funded would be federally funded First Nation's students, students over 20 years of age, international students, and students in a high school program at a post secondary institution. The counts are reported according to the authority of the student registration.

Student funding information is as of Monday, May 31, 2004 and student registration information is as of Friday, July 30, 2004 .

Student Population: a count of students for whom a school authority has received funding, plus students for whom a school authority did not receive funding, but who had a registration in effect September 30th of the school year. Examples of students not funded would be federally funded First Nation's students, students over 20 years of age, international students, and students in a high school program at a post secondary institution. The counts are reported according to the authority of the student registration.

Student funding information is as of Monday, May 31, 2004 and student registration information is as of Friday, July 30, 2004 .

Student Population: a count of students for whom a school authority has received funding, plus students for whom a school authority did not receive funding, but who had a registration in effect September 30th of the school year. Examples of students not funded would be federally funded First Nation's students, students over 20 years of age, international students, and students in a high school program at a post secondary institution. The counts are reported according to the authority of the student registration.

Student funding information is as of Monday, May 31, 2004 and student registration information is as of Friday, July 30, 2004 .

Student Population: a count of students for whom a school authority has received funding, plus students for whom a school authority did not receive funding, but who had a registration in effect September 30th of the school year. Examples of students not funded would be federally funded First Nation's students, students over 20 years of age, international students, and students in a high school program at a post secondary institution. The counts are reported according to the authority of the student registration.

Student funding information is as of Monday, May 31, 2004 and student registration information is as of Friday, July 30, 2004 .

Student Population: a count of students for whom a school authority has received funding, plus students for whom a school authority did not receive funding, but who had a registration in effect September 30th of the school year. Examples of students not funded would be federally funded First Nation's students, students over 20 years of age, international students, and students in a high school program at a post secondary institution. The counts are reported according to the authority of the student registration.

Student funding information is as of Monday, May 31, 2004 and student registration information is as of Friday, July 30, 2004 .

1790 Dene Tha' Community School	23	32	16	31	22	22	31	37	28	16	3					261

Student Population: a count of students for whom a school authority has received funding, plus students for whom a school authority did not receive funding, but who had a registration in effect September 30th of the school year. Examples of students not funded would be federally funded First Nation's students, students over 20 years of age, international students, and students in a high school program at a post secondary institution. The counts are reported according to the authority of the student registration.

Student funding information is as of Monday, May 31, 2004 and student registration information is as of Friday, July 30, 2004 .
